

Directions to Overhill Farm and Gardens

From Knoxville, take 129 S towards Maryville, it joins up with hwy 411. Stay hwy 411 S to Vonore. Turn left in Vonore at the Hardees onto hwy 360. From there it's 13 miles (about 20 minutes) to the nursery but after 7 miles hwy 360 turns to the right. stay straight on Citico Rd. for the last 6 miles, you'll come over a very steep and windy hill and my office is in a white farmhouse on the right, address 1404 citico rd. The nursery is just past the farmhouse and is on the left with a big sign.

It's actually very easy to get to Overhill, just remember to keep on a-coming... it's farther than you think. Driving time from Knoxville takes 1 solid hour.

There is no cell phone service once you get to Vonore.
